

## **Expression of Interest – Paducah Gaseous Diffusion Plant Purchase of Trichloroethylene from C-400 project**

Paducah Remediation Services, LLC (PRS), under its Prime Contract DE-AC30-06EW05001 with the U.S. Department of Energy (DOE), is soliciting expressions of interest (EOI) for the purchase and transportation of trichloroethylene (TCE). As part of the remediation work at the Paducah Gaseous Diffusion Plant (PDGP), PRS is removing TCE from soils and groundwater and will be temporarily storing the TCE in tanks at the site. The purchase of this TCE shall include the removal of the TCE from on-site storage tanks and off-site transportation to BUYERS location.

This request for EOI is for the purpose of determining potential BUYERS for the recovered TCE within the marketplace and to facilitate an open discussion for interested parties. This EOI does not constitute an invitation for binding bids, proposals, or offers. Companies that elect to participate in this EOI will do so at no cost or reimbursement to/from PRS, DOE or the U.S. Government.

### **Background**

The TCE that is being removed was previously used as a metal solvent cleanser in the C-400 building. It has been discovered that, during building processes, the TCE leaked into the ground beneath the storage tanks used to house the TCE. It is estimated that there is approximately 78,000 total gallons of TCE to be removed. PRS projects that approximately 6,000 gallons of TCE per week will be available once the recovery system is operational.

### **Submission of Expression of Interest**

In response to this EOI, PRS requires the following information be submitted to Shay Morgan at [shay.morgan@prs-llc.net](mailto:shay.morgan@prs-llc.net).

- Statement of Qualifications
- General Company Background Statements
- Statements addressing DOE or other government experience
- Evidence of successful past performance involving related tasks

All companies with the capabilities and interest in obtaining the TCE mentioned above are invited to submit an EOI. In addition to the information requested above, please include the name, title, address, phone number, and electronic mail address of the responsible person to whom future communications regarding this request should be addressed.

Please submit the EOI to the following:  
Paducah Remediation Services, LLC
